

PayZone and You – Partners in Profit

WALK-IN BILL PAYMENT

PayZone is a leading provider in walk-in bill payment services.

Customers can pay any and all bills at thousands of convenient neighborhood store nationwide.

PREPAID WIRELESS

Through PayZone you can sell prepaid wireless airtime and perform real-time top services for all major carriers including Verizon, Boost Mobile, T-Mobile plus dozens of other carriers with the industries guaranteed best commission.

PREPAID HOME PHONE

PayZone's roots in prepaid home phone service make us the obvious choice for your service needs. We have been providing service to individuals and families since 1999.

PREPAID PHONE CARDS

The hottest cards, the best rates and a never ending stock of inventory are just some of the PayZone advantages. We carry cards for every Domestic and International calling destination worldwide.

PayZone has established partnerships with hundreds of utilities and billers all across the USA. Now instead of going to the billers in person to pay their monthly bills, or sending money orders, your customers will be able to pay these billers in your store.

PayZone has relationships with thousands of local utilities; electric, gas, water, and phone companies. Additionally we process real-time payments for virtually every nationwide wireless and satellite TV provider.

Transform your store into the neighborhood financial center. Every PayZone location rapidly becomes one of the neighborhood's most reliable resources, enabling customers to take care of necessary financial activities quickly, easily and safely.

When you decide to become a PayZone Retail Agent we will configure a solution tailored to fit your business needs, and train your staff to use our solutions to make you more money. Then, every time one your customers make a purchase or pay a bill, you earn a commission.

When you become a PayZone Retail Agent you will:

- Increase your store traffic
- Improve customer loyalty
- Build significant revenues through bill payment services and sales of prepaid products

PayZone eliminates the hassle of money management for people who pay their bills with cash. We operate one of the nation's largest networks of walk-in bill payment locations.

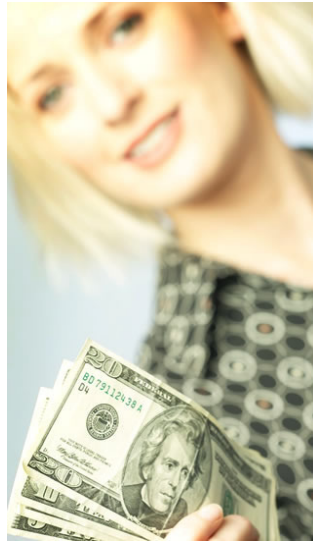

At a PayZone Retail Agent customers know they can pay their bills quickly and reliably. PayZone is as invested in your success as you are. Our exceptional service guarantees your success. We'll do everything we can to make PayZone your businesses most valuable asset.

Our flexible in-store technology can be adapted to meet the needs of any in-store payment center:

PayZone LIVE: Our web-based application means no software to install and no proprietary hardware to buy or lease. PayZone LIVE is optimized for broadband!

PayZone ONLINE: Our PC based software works on almost any Windows computer, and utilizes your existing dial-up internet connection or installed modem hardware to connect to our servers for fast, secure transactions.

Service Features and Benefits

In the fast paced world of retail, many service providers are failing to provide the most important element: service! PayZone has taken steps to back our service statements with a written guarantee for each and every client. PayZone pledges to give you the best experience by consistently exceeding customer expectations.

No PIN Inventory Outages: PayZone will always have stock on all prepaid wireless, phone card, and prepaid home phone PINs.

ACH Accuracy: PayZone Retail Agent's accounts have never been debited for more than what was owed.

24/7 Customer Service: PayZone provides high quality, bi-lingual customer service and support seven days a week, 24 hours a day, 365 days a year.

Customerization: PayZone Retail Agents have the ability to customize the interface to meet their individual needs and sales requirements.

PayZone provides a complete turnkey retail solution so you can start making money today! Our easy to operate software and lightning fast transaction speed provides the express service your customers want. PayZone provides state-of-the-art solutions with easy to operate controls.

Getting Started

- Each PayZone location is an independent business that is authorized to provide our products and services. PayZone can be located in supermarkets, drug stores, newsstands, wireless and many other retail locations.
- If you have a computer we can connect you to the PayZone System, or we can provide you with the equipment you need to get started.
- PayZone provides point of sale collateral including banners, posters, stickers, brochures, mouse pads, and other promotional materials; free of charge.
- PayZone provides remote training via the telephone or Internet. Our bi-lingual support staff is available to serve you 24 hours a day.
- Every PayZone transaction generates a receipt for the customer which includes a unique ID number that identifies it in the PayZone database.

TECHNICAL SUPPORT

We built the network, we run the network, and we know the network. Difficulties can escalate into tremendous frustration in fast-paced retail environments. Our technical support staff gets to the root of the problem and resolves your issue quickly.

ZERO DOWNTIME

Redundant, mirrored servers and connections mean zero tolerance for down time and network "hiccups". PayZone is the most secure, and reliable payment solution nationwide.

TURNKEY SOLUTIONS

PayZone provides a variety of solutions for processing transactions; we have a solution that fits your needs.
